

Alice  
Little

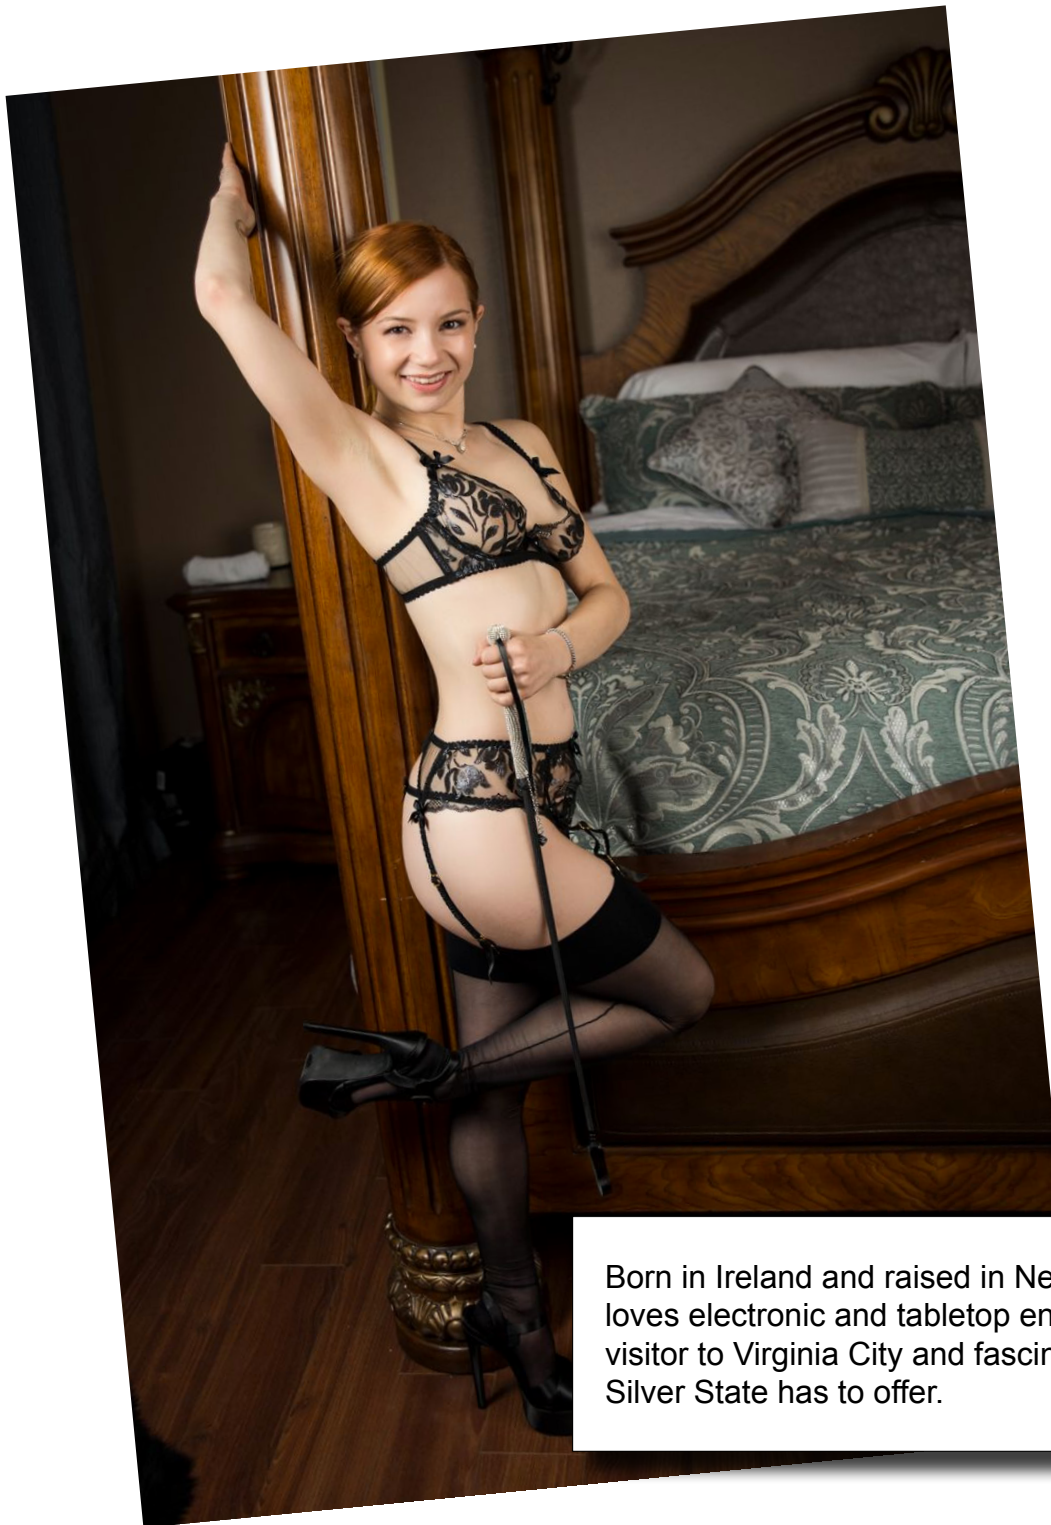

Sex entrepreneur and relationship expert Alice Little is currently the most successful legal sex worker in the United States. At only 4' 8", she is also the tiniest licensed prostitute at Dennis Hof's world famous Moonlite Bunny Ranch near Reno, Nevada.

Alice writes advice articles for She Knows Media and has been a guest on the Tim Ferriss Show. She has been interviewed and featured by CNN, ABC's Nightline, Refinery29, Quartz, Shane and Friends, and other podcasts and news outlets. She is a proponent of sex positivity and women's rights, and has marched for equality. Alice is also one of the founders of the "Hookers for Healthcare" movement, petitioning the government for effective health care that works for everyone

Ms. Little frequently sees couples in and out of the bedroom, coaching them on how to enhance their relationships, increase the quality of their communication, and help bring intimacy back into their interactions. She hosts a weekly vidcast titled 'Coffee with Alice,' where she discusses sex work, fields questions, and aims to inform on all things sensual. Alice has also presented at over 50 Kink and BDSM events nationwide.

Born in Ireland and raised in New York, she has worked as an EMT and horse jockey, loves electronic and tabletop entertainment, and adores intellectual stimulation. A frequent visitor to Virginia City and fascinated by its history, she loves exploring Nevada and all the Silver State has to offer.
